The simple  
choice for  
energy  
efficiency.

Updated April 2019

## Families and businesses are saving with the help of ENERGY STAR®

Illinois is home to about **450** businesses and organizations participating in U.S. EPA's ENERGY STAR program:

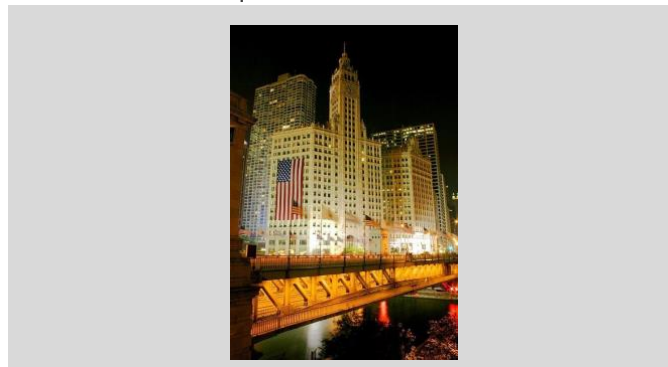

- 77** manufacturers of ENERGY STAR certified products
- 32** companies supporting independent certification of ENERGY STAR products and homes
- 43** companies building ENERGY STAR certified homes, 4 of which are committed to building 100% ENERGY STAR, as well as many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

### Across Illinois

- 5.3 million customers** were served by utility partners
- 10,375 buildings** (more than 1.4 billion square feet) were benchmarked in 2018 using ENERGY STAR Portfolio Manager
- 14,096 homes** have earned the ENERGY STAR
- 1,097 buildings** have earned the ENERGY STAR for superior efficiency, including 177 schools, 19 hotels, 6 hospitals, 459 office buildings and 4 industrial plants.
